Attorney Docket No. P/1318-115

Letter

This is a notice regarding your request for acceptance of a fee deficiency submission under 37 CFR 1.28(c), filed September 18, 2009.

The deficiency payment of \$490 is hereby accepted.

The change of status to large entity has been entered and made of record.

The current practitioners of record are the practitioners associated with Customer No. 58484. The power of attorney filed with the request does not revoke the prior power of attorney. Office procedures do not allow practitioners associated with a customer number and a practitioner not associated with the customer number to both have power of attorney at the same time. Therefore, the power of attorney filed with the request cannot be accepted.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the fee address of record. If appropriate, a request to change the fee address of record should be filed. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the fee address of record.

Telephone inquiries regarding this communication should be directed to Petitions Attorney Steven Brantley at (571) 272-3203.
